Superintendent of Schools

October 2018

Dear Parents and Guardians:

The Board of Education is asking the voters, on the November 6, 2018 ballot, to approve a variety of safety improvements across the District.

This is in reference to **QUESTION #2** on the ballot.

- **Security vestibules** (for Franklin, Long Memorial, Washington Schools and the Middle/High School)
- **Emergency notification system** to include automatic announcements, automatic calling to 911/police and fire departments, and exterior warning strobe lights and/or signage
- Additional **wireless door locks**
- **New two-way radio system** for communications throughout each building and throughout the district
- **Security supplies** such as emergency “go bags” and other security supplies for classrooms and other student occupied areas

This is a ONE TIME cost of \$450,000 with an estimated tax impact of only \$34 for the average home in Saddle Brook.

Please remember, in the interest of keeping our students safe, the district will be *closed to students* on Tuesday, November 6, 2018. Please remember to vote.

Sincerely,

Danielle M. Shanley
